## PERSONAL STATEMENT

I'm a 30 years old Art Director & Freelance Web Designer from Madrid (Spain). Passionate about the world of arts and design with over 8 year-experience developing and designing just about any creative task, be it print or digital, for friendly people.

After a great experience living and working in Edinburgh (Scotland) I decided to come back to Madrid looking for new opportunities and keep on working on exciting creative projects with people who share my passion.

Why don't we work together?
